

# Wicklow Swimming Club

Dear fellow swimmers,

What a great start to our season, with amazing numbers turning out for our sprints, junior challenge, intermediate, youths and Senior races. We are firmly now into the second month of our fixture list. This is our third newsletter with lots of updates and information about what's happening in the Club and upcoming events.

We held our first social night on Friday 16 June, at the Brass Fox and it was great to see a number of new members in attendance. We are delighted that we now have a social committee in place, which is made up of Zara Copeland, Kerri Beacom, Jennie Teevan and Sharon Byrne. Our committee is made up of all new members to the club and we are looking forward to our next social night, details of which are set out below. Social nights are a great way to get to know other senior members and more importantly debate swim techniques, the various antics up the bay, whether you saw a jelly fish or a plastic bag and challenges at the buoys! Always good fun!

I personally want to thank our Race Recorders, Carol, Olwen, Ruth, Tom, Elaine and Kathleen who have recorded all our race results so well, with ever increasing numbers passing the finish buoy at one time, they have a challenging and important role to play in the club and the speed at which they deliver the results is amazing, thank you.

Our Safety Officer Denis is settling into his new role, and is working hard to ensure your safety at all times, supported by his dedicated team both on the pier and in the boats. Safety is key for us at WSC, even when buoys go wandering. Check out our safety section in the newsletter for some Safety updates and some tips to keep us all safe in the water.

Yours in swimming

Club Chairperson

We expect to see nearly 300 swimmers across the ladies and gents category. WSC are renowned for running a great event and providing a great spread of food afterwards. We are currently planning the event and we will need volunteers to support on the day such as spotters on the pier, race recorders on the beach, first aiders and catering. We need all our members to contribute a variety of sandwiches & cakes, don't be afraid to put your home baking skills to the test! Our team of coordinator's are as follows:

Event Controller / Race organiser	Ross Beacom
Safety Officer	Denis Connolly
First Aid Coordinator	Stevie Blount
Rescue Craft Coordinator	Larry Ryan
On-Water Spotter Coordinator	Larry Carey

### \*\*\*\*\*Supporters on the Pier\*\*\*\*\*

Remember when encouraging your swimming friends or family members from the pier to be mindful of the race recorders - they are concentrating really hard to record all the hat numbers. We ask all supporters to be mindful of the space around them firstly to ensure that they can record accurately and secondly to be mindful of their safety. Thank you!

Club hats must be ordered through Easy Payments. You must have a club hat to swim, and hats from last year can be used. New hats are issued from Jane O'Neill who will be on the Pier each Sunday. Cost of hats: Senior & Youth Hats €10 & Intermediate & Junior €5 (no cash on the day, must be done through easy payments!)

### Safety Tips:

## SAFETY TIPS & SWIM ETIQUETTE

- If you get into any difficulty during a swim, you must raise your arm with a closed fist, this lets the safety crew know that you are experiencing difficulty
- You must then follow the instructions given by the safety crew, this usually results in the swimmer being removed from the race into the safety boat. Once in the boat a full safety assessment will be done
- The importance of following the safety crew instructions cannot be understated. By occupying a safety boat or kayak for longer than necessary and not following the instructions given by the safety crew, a swimmer is putting the safety of fellow swimmers in danger. In the event that more than one swimmer gets into difficulty, a safety boat or kayak that has to spend more time than necessary while attending to a swimmer in difficulty could result in a delay of them getting to another swimmer in difficulty. There could also be a situation where members of the safety crew are also put at risk when a swimmer does not listen to the instructions given.
- The Safety crew understand that sometimes during a race swimmers are determined to keep going a bit longer to see if they will be able to continue and finish the race. But for the reasons outlined above, it is important that all swimmers listen to & comply with all instructions given by any member of the safety crew during a race.
- The primary objective of everyone involved in organising a swimming race is that all swimmers return safe & healthy and it goes without saying that the cooperation of all swimmers is needed to achieve this.
- You must always report to the Safety Officer when exiting the water during a race

### Swim Etiquette:

- No swimming over other swimmers, swim around a swimmer if there is crowding
- Try to refrain from doing breaststroke at the buoys, you can kick somebody unintentionally and it hurts!
- What's the best way to get around a buoy? Simply twist your body around the buoy as you swim. You may need to do a short doggy paddle stroke or two with the arm which is closest to the buoy, however your outside arm should be able to swim normally throughout.
- Try and refrain from doing the breaststroke as you may kick another swimmer, and don't slow down, keep going!
- Keep wide at the buoys if there is crowding, some people have experienced getting hit on the head, back and legs - please be mindful of other swimmers at all times
